Source: The Suzy Lamplugh Trust

www.suzylamplugh.org

Refuge research for the same period (2020 – 21) suggests that of the women and children it supported with domestic abuse, 59% experienced abuse involving technology. Other support organisations have figures between 75% and 100%. (Source UCL Gender and IoT project)

What percentage of girls aged 12-18 have been sent unsolicited nude images of boys or men?

C)76%

Source: Gov.uk

The online safety bill, passed in Sept 2023, made cyber flashing a criminal offence which can result in up to a 2 year prison sentence. This brings it in line with the punishment for flashing in person. Previous to this there was no specific legislation to protect from cyber flashing in England or Wales.

How many men will experience stalking in their lifetime?

B) 1 in 10

Source: UK national crime survey 2019

The UK national crime survey 2019 suggests 1 in 10 men and 1 in 5 women will experience stalking in their lifetime.
